

**ASSEMBLY BILL**

**No. 698**

---

**Introduced by Assembly Member Hagman**

February 17, 2011

---

An act relating to air pollution.

LEGISLATIVE COUNSEL'S DIGEST

AB 698, as introduced, Hagman. Air pollution permit streamlining: report

Existing law authorizes the board of every air quality management district and every air pollution control district to establish, by regulation, a permit system that requires, except as otherwise provided, that before any person builds, erects, alters, replaces, operates, or uses any article, machine, equipment, or other contrivance that may cause the issuance of air contaminants, the person obtain a permit to do so from the air pollution control officer of the district. The Air Pollution Permit Streamlining Act of 1992 requires a district to establish a program to provide for the expedited review of these permits.

This bill would declare the intent of the Legislature to enact legislation to require the State Air Resources Board to provide a report relating to the implementation of the Air Pollution Permit Streamlining Act of 1992.

Vote: majority. Appropriation: no. Fiscal committee: no.  
State-mandated local program: no.

*The people of the State of California do enact as follows:*

- 1 SECTION 1. It is the intent of the Legislature to enact
- 2 legislation to require the State Air Resources Board to provide a

- 1 report relating to the implementation of the Air Pollution Permit
- 2 Streamlining Act of 1992.
